Flex 90 ceiling lamp flexible provides diffused light with LED G95 light bulb

Finish: Black

Light bulb: With bulb

## Description

Thanks to the 90cm Flex, adjustable and flexible, you will be able to illuminate your environments with a ceiling lamp that provides diffused light. Combine and choose between the Flex and the LED Globe G95 light bulb that you prefer.

There are 3 different Flex combinations available between terminal, lamp holder and LED G95 Light bulb.

**To preserve the shape of your lamp, flex and bend the entirety of the Flex cable.**
