LED Golden Light Bulb for pendant lamp - Globe G125 Single Filament "Love" - 4.5W 250Lm E27 1800K Dimmable

Description

Can a light bulb go beyond just emitting light, and even emanate ... love?! Yes!
The LED filament of this G125 light bulb lives up to the word "Love", for a unique and absolutely amazing final effect, without losing the typical qualities of LED bulbs.
Ecological and decorative, the best choice to create a pendant lamp with a unique design.

Decorative lamp.

ATTENTION: to properly dim an LED bulb, a specific dimmer or the latest generation of universal dimmers is required.
You will find a specific section on our website with a selection of both wall and in-line models.

Data Sheet

Fitting: E27
Diameter: 125 mm
Light colour: 1800 K
Volt: 220/240 V
Light bulb type: Led
Consumption: 4.5 W
Brilliance: 250 Lm
Width: 175 mm
Shape: Globe
Adjustment: Dimmable

Our bulbs with straight filament can work with all DIMMERS (TRIAC or IGBT), while for curved filament bulbs, IGBT dimming is highly recommended.

For the choice of the dimmer: in addition to the maximum power of the user, the minimum power must also be considered, because when the regulated power is lower than the minimum rating, the user can "flicker" and / or be damaged.
